Product Details

- Blue Steel Spring unit
- Attached back cushions
- Attached high-density seat cushions
- Close wall proximity allows you to open and recline in any position with the furniture positioned only six inches from the wall.
- Power mechanisms allow you to smoothly recline to any position with the touch of a button.
- Power headrest mechanism allows you to adjust the headrest with a touch of a button.
- Dual power buttons allow you to operate the reclining and headrest mechanisms independently.
- Single USB port is located at the center of each power button.
- Removable backs allow for easy lifting and maneuvering through doorways.
- Only available in select leathers.
- Leathers may display subtle color variances from one piece of furniture to another as well as throughout a single piece of furniture.

Clean and casual appeal contoured with heavy-thread stitching.

Heavy-thread stitching contours Sienna's profile delivering a sharp and chic appeal. The outside arm wraps the armrest for a refined peekaboo effect and a divided back cushion complements the design of the divided footrest cushion. Even seating carries out Sienna's crisp lines for a clean and casual look. A power reclining mechanism lets you change angles effortlessly from an upright to a fully reclined position, and a dual power button allows you to independently adjust the headrest for custom relaxation.
