

Hendrix

FABRIC RECLINER WITH POWER HEADREST |
1193-50PH

41"W x 39"D x 40"H
21"SH x 21"SW x 20"SD x 26"AH
Open Depth: 67"

Modular design with limitless function.

The appeal of the Hendrix Power Recliner comes from its curved subtle shapes and ruched detail on its pillow-padded arms. The sloping, contoured seat enhances the contemporary air of this style. A power reclining mechanism lets you change angles effortlessly from an upright to a fully reclined position, and a power button control allows you to independently adjust the headrest for custom relaxation.

Product Details

- Blue Steel Spring unit
- Attached back cushions
- Attached high-density seat cushions
- Power mechanisms allow you to smoothly recline to any position and adjust the headrests.
- Four power buttons allow you to operate the reclining and headrest mechanisms independently. A single USB port is included on each power button control.
- Removable backs allow for easy lifting and maneuvering through doorways.
