Product Details

- Spring Unit: DualFlex
- Back Construction: Attached
- Seat Construction: Attached
- Seat Cushion: High-Density (HC)
- Lay-flat mechanisms will accommodate occupants weighing up to 300 pounds.
- This console features two cup holders and a storage compartment.
- This style features extended footrests.
- Removable backs allow for easy lifting and maneuvering through doorways.
- Power allows you to smoothly recline to any position, adjust the headrests, and adjust the lumbar supports.
- A single USB port is included on each power button control on styles with arms.

Elijah accomplishes what many reclining styles cannot: comfort and fashion. Its extremely soft automotive-style bucket seats, extended footrests, and generously padded arms provide lasting comfort while the sleek shape and heavy-thread stitching exhibit stylish design. A power reclining mechanism lets you change angles effortlessly from an upright to a fully reclined position with the touch of a button.
