Product Details

- Spring Unit: DualFlex
- Back Construction: Attached
- Seat Construction: Attached
- Seat Cushion: High-Density (HC)
- A Lay-flat mechanisms will accommodate occupants weighing up to 300 pounds.
- This style features an extended footrest.
- Removable backs allow for easy lifting and maneuvering through doorways.
- Power allows you to smoothly recline to any position, adjust the headrests, and adjust the lumbar supports.
- A single USB port is included on each power button control.

Dakota's back and seat cushions feature a quilted pattern, traced with intersecting heavy-thread stitching. Not only does the quilting give Dakota its sophisticated appearance, but it also provides extra seating comfort for you and your guests. You'll want to sit back and relax for hours in this style. A power reclining mechanism lets you change angles effortlessly from an upright to a fully reclined position, and a power button control allows you to independently adjust the headrest for custom relaxation.
