- Power headrest mechanism allows you to adjust the headrest with a touch of a button.
- Dual power buttons allow you to operate the reclining and headrest mechanisms independently.
- Single USB port is located at the center of each power button.
- Removable backs allow for easy lifting and maneuvering through doorways.
- Only available in select leathers.

Aesthetic appeal highlighted with cross-stitching detail.

Heavy-thread cross-stitching detail is highlighted throughout Fenwick's frame adding an aesthetically pleasing feature. A square arm is finished with a pad overlay creating a charming design while contoured seating, a divided back cushion, and a fully padded footrest combine on Fenwick to create long-lasting support. A power reclining mechanism lets you change angles effortlessly from an upright to a fully reclined position, and a dual power button allows you to independently adjust the headrest for custom relaxation.
