Product Details

- Spring Unit: DualFlex
- Back Construction: Attached
- Seat Construction: Attached
- Seat Cushion: High-Density (HC)
- Each arm features a hidden pull-out cup holder.
- Removable backs allow for easy lifting and maneuvering through doorways.
- Leather may display subtle color variances from one piece of furniture to another as well as throughout a single piece of furniture.
- Power allows you to smoothly recline to any position and adjust the headrests.
- On styles with arms, a home feature returns the headrest and footrest to their original positions.
- A single USB port is included on each power button control on styles with arms.
- Power to the USB port is activated only when the port is in use.

Asher's slim arm panels will quickly catch your eye. The divided back cushion features deep button tufting on the bottom to add depth to the style and to provide extra pockets of comfort for sink-in reclining. Heavy-thread stitching highlights the architecture of this frame and hidden cup holders in will delight. A power reclining mechanism lets you change angles effortlessly from an upright to a fully reclined position with the touch of a button.
