FOLD N TUMBLE SLEEPER AIR BED SLEEPER |
4885M-60FT

68"W x 35"D x 38"H

Spacious comfort. Space-saving design.

Our Fold-N-Tumble technology provides ample sleeping space using lightweight construction. Designed to hug the wall and easily open and close, it offers stability and support for its (optional) queen-sized air mattress.

Product Details
