

Charleston

DRAWER CHEST | W1061-872

44"W x 19"D x 57"H

Carved detailing on a classic style.

Inspired by Neo-Classical architecture and furnishings, the Charleston drawer chest reflects this classic style through straight lines and bracket feet accentuated by carved detailing such as the framed and relief accented drawer fronts and the exaggerated dentil moldings. Meticulously applied coatings replicate refinished and time-worn pieces, which adds warmth and softness.

Product Details
